

Please note due to DCR not approving over 25 riders to use the trails we still wanted to give our members the opportunity to have a trail ride. Therefore we are restricting this ride to only 25 members. We will be renting the field so we still need to charge a fee.

Since this will be a limited ride you MUST pre-register and Marianne will either email or call those registrants that have completed the registration fully. That means you have filled out the registration form correctly, enclosed a copy of **current coggins (if you have an appointment scheduled with your vet please enclose last years coggins and the date of your appointment)**, you have already paid your BRDC membership, signed the liability form and registration form, and have enclosed payment. Applications must be postmarked by April 30th.

Marianne will process and count complete registrations first, before incomplete one. We are very sorry that we have to limit the ride but it is out of our control at this time. If DCR changes their restrictions we will let others know.

If anyone has not gotten a verification from Marianne by May 4, they should contact her. Or late entries should notify her that it's in the mail.
